WHAT IS MUSICAL THEATRE?

A fast paced 1-hour journey through Musical Theatre! Children will spend 20 minutes on each discipline focusing on building confidence, creating character and stage presence in an energetic and fun environment with The Star Project Team!

WHICH CLASS WILL MY CHILD ATTEND?

Classes are on a Monday evening and we have three age groups:

RISING STARS: 4.30pm-5.30pm/4-6 years

JUNIOR STARS: 5.30pm-6.30pm/7-9 years

INTERMEDIATE STARS: 6.30pm-7.30pm/10-13 years

WHAT CAN MY CHILD EXPECT FROM A MUSICAL THEATRE CLASS?

Please see below an example structure of what their class will look like.

SINGING

4.30pm: Singing warmups and fun technique exercises to understand how to use the voice.

4.40pm: Learn a Musical Theatre song as an ensemble, giving the opportunity for children to sing solo lines and learn how to sing in harmony and unison.

DRAMA

4.50pm: Drama Warmups, fun drama themed exercises focusing on building confidence and getting the creativity flowing!

WILL MY CHILD GET TO PERFORM?

The answer to that is a big YES! The Star Project aims to give children constant opportunity to perform, taking them on a journey across the span of a year and allowing them to grow on stage in confidence and performance courage as they experience an increasing audience and stage size.

Each term there will be a new theme and focus. The students will have the opportunity to be a big part of their production and help to create backstage elements too. They will explore lighting, sound, props, set, costume, and production design!

5.00pm: Script work and Improvisation teaching students to use voice projection, clear speaking, teamwork, devising theatre, montage, characterisation and focus and discipline when onstage.

DANCE

5.10pm: Dance Warmup and corner work technique.

5.20pm: Learn a Musical Theatre Dance Piece, combining song and dance and teaching the skill of performing all three disciplines at once...MUSICAL THEATRE!
